Humanities

Vision Statement: We seek to ***ignite*** their **curiosity**, ***spark*** their imagination and ***inspire*** awe and wonder through the humanities of learning and experience. This area encourages learners to engage with the most important issues facing humanity, including sustainability and social change, and help to develop the skills necessary to interpret and articulate the past, present and future.

Enquiry, exploration and investigation inspire curiosity about the world, its past, present and future.

Human societies are complex and diverse, and shaped by human actions and beliefs.

Events and human experiences are complex, and are perceived, interpreted and represented in different ways..

Our natural world is diverse and dynamic, influenced by processes and human actions.
