Science and Technology

Vision Statement: To develop passionate young people with the skills to make a positive contribution to a modern Wales and beyond. The heart of Portmead Primary's vision is to meet the needs of a rapidly changing twenty first century workforce through innovative, creative teaching and learning.

Being curious and searching for answers is essential to understanding and predicting phenomena.

Design thinking and engineering offer technical and creative ways to meet society's needs and wants.

The world around us is full of living things which depend on each other for survival.

Matter and the way it behaves defines our universe and shapes our lives.

Computation is the foundation for our digital world.

Forces and energy provide a foundation for understanding our universe.
